### PUBLIC NOTICE. IMPORT TRADE CONTROL.

New Delhi, the 24th October 1951.

Subject.—Import Trade Control—Established Importers—Registration of Quotas—Simplification of licensing procedure.

- No. 173-ITC(P.N.)/51.—It is proposed to simplify the existing procedure governing the issue of quota licences to established importers. For this purpose it has been decided to establish quota registers in the form of Annexure 'A' attached, on the basis of which future quota licensing would be regulated in the individual case and thereby it is intended to secure a system of automatic issue of licences. In the first instance this new scheme will apply to the issue of quota licences for Miscellaneous Hardware falling under Serial No. 275 of Part IV of the Import Trade Control Schedule, with effect from the January/June 1952 licensing period in the manner described below.
- 2. All quota certificates hitherto issued in respect of Miscellaneous Hardware falling under Serial No. 275 of Part IV of the Import Trade Control Schedule will be deemed to be cancelled for purposes of future quota licensing in respect of this item, commencing from the licensing period January/June 1952.
- 3. Established importers of miscellaneous hardware (Serial No. 275 of Part IV) are now required to get their quota entitlement registered by adducing evidence to establish their past imports on which they rely. For this purpose they should furnish:—
  - (a) A statement (in quadruplicate) in the form given in Annexure 'A' to this Public Notice, of past imports affected by them in any one financial year ending March, in the basic period 1945/46 to 1950/51. It is necessary that the complete information required in the said form should be furnished and that the correctness of the particulars given should be certified by a Registered/Chartered Accountant. In this connection attention is invited to the instructions given in Annexure 'B' to this Public Notice.

the said form should be furnished and that the correctness of the particulars given should be certified by a Registered/Chartered Accountant. In this connection attention is invited to the instructions given in Annexure 'B' to this Public Notice.

(b) Established importers having past imports from countries with which trade was interrupted during the years of the last war and who wish to have their quota established on the basis of imports made by them from the said countries, may furnish in the prescribed form particulars of imports made by them in any one of the three financial years preceding the out-break of the last war.

- (c) It is essential that statements in form 'A' should be accompanied by the following documentary evidence:—
  - (i) Triplicate copies of the Customs Bills of Entry for home consumption, or in the case of goods bonded on arrival, copies of the original "into-bond" (Red) bills of entry duly certified by the Customs authorities. In the case of duty free goods import in any port or of goods of any kind imported at Calcutta, the exchange control copies of the bills of entry will be accepted instead of the triplicate copies. The relevant invoices should accompany the bills of entry; and
- (ii) Postal declaration forms or Customs Duty receipt with relevant invoices and Bank drafts.
- (Note.—In view of the difficulties which importers may experience in producing the postal declaration forms or customs duty receipts it has been decided that where these documents are not evailable in respect of past imports made by post, the following documents will be accepted, namely,—
  - (i) Bills of Exchange.
  - (ii) Banker's Memoranda of Payment.
- (iii) Relative Invoices attested by a Customs' Appraiser.
- (d) In view of the policy decision announced in sub-paragraph (i) of paragraph 1 of the Ministry of Commerce and Industry's Public Notice No. 109-ITC(PN)/51, dated the 23rd June, 1951, it is necessary for a party claiming licences as an established importer to prove that they had imported goods falling under the same S. No. and Part of the I.T.C. Schedule in any one financial year in the basic period 1945-46 to 1950-51, other than the year on the basis of which a quota is claimed. For this purpose it will suffice if parties enclose with their application in form 'A' one or two triplicate copies of bills of entry relating to imports made in the other year.
- 4. The applications for registration of quotas will on receipt be examined and applicants will be advised in due course of the registration No. allotted to them and their quota entitlement. In all future applications for quota licences, commencing with the licensing period January/June, 1952, established importers of Miscellaneous Hardware falling under Serial No. 275/IV, will be required to quote in their application the registration No. allotted to them under this scheme and it will not be necessary to resubmit the documents relating to their past imports.
- 5. Applications for registration of quotas as described in the preceding paras. should be made to the Joint Chief Controller of Imports, Calcutta, complete in all respects together with the required documents, in a registered cover (Acknowledgment Due) and superscribed as follows:—
  - "Application for Quota Registration for imports of Miscellaneous Hardware falling under Serial No. 275 of Part IV of the Import Trade Control Schedule."
- 6. The last date for the receipt of these applications is the 30th November, 1951, and applications for registration received after that date will not be considered.

### PUBLIC NOTICE.

New Delhi, the 15th December 1951.

Subject: - Maintenance Remittances to Pakistan.

No. 3(9)-EF-VII/51.—It has been decided by the Government of India to permit residents in India of Pakistani domicile and persons domiciled in India who have dependents in Pakistan to make moderate remittances for their support.

The procedure prescribed for making maintenance remittances to Pakistan is detailed below for the information of the general public:—

- (1) Applications should be made in duplicate if remittances are to be made through banks and in triplicate if through post offices. As it will not be possible to arrange for the supply of forms all over the country, the applicants should make their own arrangements to submit their requests on the prescribed form, using thick paper for this purpose.
- (2) All applicants must obtain a certificate from the Collector/Deputy Commissioner of the district in which they reside in the form laid down in the appendix.

- (8) The maximum amount up to which remittances will be permitted will normally be Indian Rs. 50 per month. Collector/Deputy Commissioners are authorised to issue permits for remittances up to this limit. Applications for remittances in excess of this limit for exceptional reasons will, however, be considered on merits. Such applications stating grounds on which higher remittance is desired should be submitted on the prescribed form to the nearest office of the Reserve Bank of India after obtaining the necessary certificate and recommendation of the Collector/Deputy Commissioner of the district in which the applicant resides.
- (4) On approval, the applicants will be able to make remittances up to the sanctioned amount to the persons or persons in Pakistan mentioned in the application form either through an authorised dealer (i.e., an authorised bank) or through a post-office during the validity of the permit at the option of the holder. For the present, remittances will be possible only through authorised dealers, as arrangements have not yet been completed for reopening money order facilities with Pakistan. As soon as this is done, an announcement will be issued by the competent authority. Permits for remittances in excess of Indian Rs. 50 per mensem will, however, be available for remittances only through banks.
- (5) Remittances will be made in round Pakistan rupees only.
- (6) All remittances made will be endorsed by the authorised dealers or the post offices on the original applications at the place provided for the purpose under their stamp and signature. The application will then be returned to the remitter to be presented again when he wishes to make the next remittances.
- (7) If, in any month, remittance is not made, the authority to make the remittance during that month will be deemed to have lapsed.
- (8) All remittances by authorised dealers will be made in the name of the beneficiary or beneficiaries as stated in the application. Postal authorities will also make money order remittances only in the name or names of persons as approved on the application form.
- (9) If the remittance is to be made through post office, one copy of the permit should be forwarded by the issuing office direct to the Postmaster of the office at which the remittance is to be made.
- (10) If the applicant is found to have made any mis-statement or abused the facility in any way, his permit will be cancelled and he will also make himself liable for prosecution under the Foreign Exchange Regulation Act, 1947.
- (11) Approval for remittances will not be granted for more than six months at a time after which a freeh permit from the Collector or Deputy Commissioner will be necessary. Applications for fresh permits should be submitted in the prescribed form and should state particulars of the previous permit.

# COVERNMENT OF INDIA, FINANCE COM-MISSION PRESS NOTE, DATED 19TH FEBRUARY 1952.

FINANCE COMMISSION INVITES SUGGESTIONS.

Among the questions on which the Finance Commission will have to make recommendations are:

- (i) the distribution of the net proceeds of income-tax between the Union and the States and the allocation of the States' share among the States [vide articles 270 and 280(3) (a) of the Constitution] and
- (ii) the principles which should govern the grants-in-aid of the revenues of the States out of the Consolidated Fund et India [vide article 280(3) (b) read with article 275 of the Constitution].

At present, 50 per cent. of the divisible net proceeds of income-tax (other than Corporation Tax) is assigned to the States and distributed among them in the following percentage ratios:

Assam—3; Bihar—12:5; Bombay—21; Madhya Pradesh—6; Madras—17:5; Orissa—3; Punjab—5:5; Uttar Pradesh—18; and West Bengal—13:5.

Seven out of the eight Part B States are also now entitled to share in the proceeds of the incometax along with the nine Part A States.

Various bases have been suggested for allocating income-tax;

(i) the collection of income-tax in the various States;

- 7(ii) the amount of income-tax realised in respect of incomes, wherever earned, of individuals resident in the different States:
- (iii) the collection of income-tax in the various States adjusted with reference to the origin of the income;
- (ir) the relative population of each State;
- (v) the relative volume of industrial labour in each State;
- (vi) the needs of the different States according to various criteria; and
- (vii) different combinations of the above factors

Claims are advanced for grants-in-aid on the basis of needs for balancing the budget, fror bringing up the level of administration and raising the standard of social services in certain States and backward regions, for implementing some of the Directive Principles of the Constitution, for economic development, for bearing special additional burdens or dealing with disabilities consequent upon partition, etc., etc.

Further points which arise with respect to grants-in-aid are whether the grants should be general or specific, conditional or unconditional.

Before making their recommendations, the Finance Commission would welcame the views of all who may have made a study of these questions. The views may be set forth in a written momorandum and sent to the Secretary, Finance Commission, Faridkot House, Lytton Road, New Delhi, on or before April 15, 1952.

Subject.—Import Licensing Policy in January-June 1952 for established importers.

- No. 190-ITC(P.N.)/51.—The following decisions of the Government of India regarding the issue of licences to Established Importers for the import of goods falling under Part I (excluding items licensed by the Steel Import Controller), II, III, IV and V of the Import Trade Control Schedule for the licensing period January-June 1952, are hereby published for general information. In applying for licences in terms of this notification, all the definitions and rules of procedure laid down in the Handbook on Import Trade Control which is being simultaneously published, will be applicable unless any special exemption or modification is indicated in this notice itself.
- 2. For items shown in Appendix 'A(1)' the value of licences to be granted to established importers will be calculated as multiples of the import licence for the period January-June 1951 held by them, and for items shown in Appendix 'A(2)', licences will be granted as multiples of July-December 1951 licences. The only documents required to be produced by an established importer who wants to apply for a January-June 1952 licence on the basis of a January-June 1951/July-December 1951 licence previously granted to him, in addition to the treasury receipt for the application fee and Income-tax verification/Exemption number (vide, Handbook), will be the following:—
  - (a) The actual import licence for the period January-June 1951 in respect of Appendix 'A(1)', and the July-December 1951 licence in respect of Appendix 'A(2)'.
  - (b) Two bills of entry or Customs Duty receipts with relevant documents to show that they have imported the article for which they are applying for a licence in two different financial years after 1945-46 including the financial year 1951-52.
  - 3. Established importers, who for any reason did not get a licence in January-June 1951 /July-December 1951 or who for any reason prefer to submit an independent application for a licence based on evidence of past imports rather than on the value of their January-June 1951 or July-December 1951 licence, may do so. The documentary evidence required from them will be the same as indicated in para. 5.
  - 4. The statements at Appendix "A(1)" and Appendix "A(2)" will indicate the multiple of the January-June or July-December 1951 licence or the percentage of the selected years' import for which a licence will be given to eligible established importers for the period January-June 1952.
  - 5. Appendix "B" contains a list of items will be licensed to established importers on production of original documents and not on the basis of any January-June 1951 or July-December 1951 licences held by them. The documentary evidence required to be produced by established importers for items included in Appendix "B" will be the following:—
    - (a) Either a valid quota certificate or the appropriate bills of entry of customs duty receipts with relevant documents to establish the value of their imports in any one financial year during the basing period viz., 1945-46 to 1950-51, and
    - (b) Two bills of entry or customs duty receipts with relevant doct ments to establish the fact that they have imported the articl applied for in at least two financial years after 1945-46 an including the financial year 1951-52.

- N.B.—(i) Imports made during the financial year 1951-52 will not be taken into consideration for purposes of calculation of quotas for January June 1952 but will be taken into account for purposes of determining whether the established importer has effected imports in at least two financial years after 1945-46.
- (ii) As trade with several enemy countries and enemy occupied countries was interrupted during the last war, it has been decided that the importers of goods from those countries will be permitted to have their quotas established on the basis of prewar imports during one of the three financial years before the break-out of the last war on production of the appropriate Bills of Entry.
- (iii) Licences for miscellaneous hardware falling under Serial Number 275 of Part IV of the I.T.C. Schedule will be granted according to a special procedure and applicants should comply with the terms of the relevant Public Notices on the subject, which have been referred to it Appendix 'B'.
- 6. For grant of General licences, the basic year imports from the dollar area alone of articles falling under any particular S. No. or sub-S No. of the I.T.C. Schedule or which an application has been made will be taken into account for purposes of calculation of quota.

Where articles are licensed for imports from soft currency area only the basic year imports from all countries except Pakistan, Afghanistan. Portuguese and French possessions in India, Nepal, Tibet and Bhutan will be taken into account in calculating quotas or grant of soft currency licences.

In case of goods where both soft currency and general licences are issued the value of past imports from all sources other than the dollar area and Pakistan, Afghanistan, Portuguese and French possessions in India, Nepal, Tibet and Bhutan in the basic year will be taken into account in calculating the relevant quotas for imports from soft currency countries. The higher quota admissible for imports from soft currency area cannot be claimed against imports from the dollar area, nor can any applicant who has imported goods only from the soft currency area get a licence as an established importer from the dollar area.

- 7. Applications from established importers as such will not be considered for items not included in Appendix 'A(1)', Appendix 'A(2)' or Appendix 'B'. It is, however, intended to grant licences on the established importers principle in respect of certain other items and the appropriate procedure and quota for them will be announced at a later stage.
- 8. Entries in the remarks column in the Appendices against any particular item will indicate any special conditions or restrictions applicable to licences for it.
- 9. The last date for applying for licences as established importers for items included in Appendix 'A(1)' and Appendix 'A(2)' will be the end of April 1952 and the last date for applying for items included in Appendix 'B' will be the end of March 1952.

10. Licences to established importers will not be given if the value of the licence to which they are entitled according to the quota percentage fixed for licensing is below a certain minimum as indicated in the table below:

Quota percentage of the articles as given in the Public Notice	The limit up to which no quota licences will be granted if quota when calculated is less than	Minimum value of licence.
1. Over 20%	Rs. 500	Minimum value licence for Rs. 1,000 will be granted (if quota found admissable lies between Rs. 50) and Rs. 1,000).
2. 20% or less	Ra. 250	Minimum value licened for Rs. 500 (if quota found admissible lies between Rs. 250 and Rs. 500).
